RULING ON ENTITLEMENT¹

On January 11, 2021, Marie Reyes filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”), alleging that she suffered from a shoulder injury related to vaccine administration (“SIRVA”) as a result of receiving an influenza (“flu”) vaccination on October 27, 2020. Pet., ECF No. 1. She further alleges that she suffered the residual effects of her injury for more than six months. *Id.* The case was assigned to the Special Processing Unit of the Office of Special Masters. On March 12, 2025, an amended petition was filed, and the case caption was amended to name Patricia Sornoso as petitioner, as the personal representative of the estate of Ms. Reyes, deceased. ECF Nos. 49-50.

On June 16, 2025, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1, ECF No. 53. Specifically, Respondent indicated that "Ms. Reyes's alleged injury is consistent with SIRVA as defined by the Vaccine Injury Table." *Id.* at 7. Respondent does not dispute that Petitioner "has satisfied all legal prerequisites for compensation under the Act." *Id.*

In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
